Discover Crete on Two Wheels

Discover Crete and the rest of Greece on Two Wheels

Based in Rethymno, Crete — a paradise filled with challenging mountain routes, wild gorges, and hidden shores — we design and lead tours that stay indelibly etched in your memory. At the same time, we travel with you along the most impressive routes of mainland and island Greece.

The freedom of the road, the twists and turns, and the endless blue unfolding before you. At Way Moto Tours, we turn our passion for two wheels into authentic travel experiences.

Ride with Safety & Confidence

Every single one of our excursions is accompanied by an experienced tour leader, ensuring that you can focus exclusively on the riding pleasure and the scenery, while we take care of safe navigation, the best stops, and the hidden gems of each area.

Whether you are looking for a short getaway of a few hours, a full day-trip, or a multi-day adventure, Way Moto Tours is your guide on the road.
