Wedding Service

Luxury transportation

Wedding Services Transpotation
An event planner can make your dreams come true

Wedding Services - A service you can trust on us
One of the most often overlooked parts in a wedding is transportation.

When you organize your wedding, the transportation of your guests is an important and stressful issue.

You will need elegant and smooth transportation for your family and friends surrounding your wedding.

We organize a full shuttle transport for your guests starting from hotel to the venue and back with no time limit

Knowing that your friends and family are traveling safely in the comfort of our buses, your guests will ride in style and your mind can be at ease.

Also vehicle can be decorated accordingly if you wish a special wedding service.

For more information about our wedding services or to book your wedding transfer please contact us
